FIFTY PER CENT.

Loss in the Exports of German Goods to the United States.

Washingress, Nov. 17 -Consul Moaighan, at Chemintz, in a report to the tale department in Hermany's exports in the United States says: Germany in the United States says. Germany is alarmed. Experts to the United States are dropping off. Nothing so starming has appeared in 20 years. America was always the best customer in many lines of manufactures. In the September quarter of 1806 17 be driven overland, and it is the consister districts and to the United States goods amounting to flight 14 in the same quarter in 1807 the amounting the Bering sea paired fleet, that the same districts and II.180 112. The average loss all party will tench Point Barrow and over the empire is mearly 50 per cent. In many cases this indicates much middle of relevanty. The rest over which the herd will be driven it said revenues. It indicates a diminution in

Consul Monaghan quotes from a worthy men in the service, and no appaper which says that some of the failing off is due to the rush of goods to
get sheed of the Dingler law, but adds
that fiermany must suffer severe losses
on account of the tariff bill. Some
